

JAZZ FESTIVAL PROCEDURES

1. ELIGIBILITY AND PARTICIPATION POLICIES:

The membership of the District Jazz Band will be determined by auditions referred to as Acceptance Auditions. These will normally be scheduled at District 9 Band Festival. Only 9th, 10th, 11th and 12th grade instrumental students, who are members of their school band, orchestra may audition for a place in the District Jazz Festival. The student's band director must be a current member of the PMEA and participate in the work of the festival. Proof of membership will be required both at the registration for acceptance auditions and at the festival.

The students own director has three areas of responsibility:

- * He/She must serve on an assigned audition committee at the acceptance auditions unless otherwise approved by the Jazz Coordinator.
- * He/She should be available as the representative of his/her school and the student's parents in case of a medical emergency or disciplinary problem. If held in conjunction with the elementary Band Music Fest, the school representative at the music festival may serve in this capacity.
- * He/She should be a representative of his students and school at the festival business meeting should one be necessary.

The individual school remains responsible for its participating students for the duration of the festival. Should it be necessary to send a student home, the home school district must be responsible.

The district president and the festival host may jointly approve a qualified substitute for the director when unique circumstances occur. Requests for substitute approval must be made prior to the auditions and must be prompted by extreme circumstances, not personal convenience or preference.

In most cases, lead parts and solos may be rotated due to endurance and the nature of the Jazz festival. Students will be rated solely on the basis of their performances on the tape. Directors will be asked to certify the authenticity of the tape on the student application form.

2. AUDITION MUSIC:

A. The student will record on tape or CD each of the excerpts.

B. The students will be required to improvise using Jamey Aebersold's Volume 54 - Maiden Voyage, using Bb blues. Student must play the head two times and play two solo choruses. Students may opt not to improvise but understand that they will receive a 0 in the improvisation category.

C. Drums: Will perform the written excerpt, followed by 3 “styles” (Swing 1/4 note =120, Funk 1/4 note= 90, Latin 1/4 note=120) Each style will be 16 measure long; three measures of time followed by a 1 measure fill. The student will play an improvised drum solo in any style. The judges will listen to no more than 1 minute of the solo.
